UPDATE: Attaching latest communications plan, expectations document and link to the Sharepoint file folder containing Three sets of draft Q&As (1. Expectations, 2. Milestones and 3. RPI). The Expectations Q&A needs to be updated and I thought, in addition to the new expectations document, we could use the other sets of draft Q&As.

Also providing AdobeConnect so that we can view documents and TMDL website:

Just setting up a time to meet if you don't cover during communications call. Just want to ensure we have:

1. Documents for posting to TMDL website (and decision on final language)
2. Final Q&As
3. Any necessary coordination with CBP partnership (since they have developed factsheet, blog, etc.)

David, I think you have a conflict but Lucinda and I are booked all afternoon.

Thanks!
